

TRUIST ENJOY BEYOND REWARDS PROGRAM
Truist Enjoy Beyond Rewards Program Terms and Conditions

The following Truist Enjoy Beyond Rewards Program Terms and Conditions ("Rewards Program Terms and Conditions") govern any and all rewards available under your Truist Enjoy Beyond Rewards credit card account ("Credit Card"). These Rewards Program Terms and Conditions are an addendum to your Truist Consumer Credit Card Agreement ("Agreement"); in the event of any conflict between these Rewards Program Terms and Conditions, the terms of your Truist Consumer Credit Card Agreement will control. You accept and agree to be bound by the Rewards Program Terms and Conditions whenever you use your Credit Card. As used below, the terms "we," "us," or "our" refer to Truist Bank ("Truist"), the "Program" refers to the Truist Enjoy Beyond Rewards Program, and "Points" refers to all rewards earned or redeemed through the Program. In addition, the terms, "you," "your," or "member" refers to the person who is responsible for the Credit Card.

General Rewards Program Rules:

1. The Program is only available to Truist primary or joint accountholders who have a Credit Card that is intended to be used for family, personal and household purposes; to use the Program, the Credit Card must be in good standing, i.e., the account is open, current (no past due balances), and not in default or delinquent.
2. We reserve the right to alter, temporarily suspend, or terminate the Program at any time without notice; this may result in the cancellation of any outstanding Points balance related to your Credit Card. Changes to the Rewards Program Terms and Conditions will be posted on the Program website accessible through Truist Online Banking at Truist.com or the Truist Mobile Banking App. You may also call the Truist Rewards Center at 855-522-8068, seven days a week from 8 a.m. - midnight ET, except major holidays, for a copy of the current Rewards Program Terms and Conditions. Changes may affect any Program benefit including, but not limited to, reward items, Points value, and Loyalty Cash Bonus. It is your responsibility to regularly review the Rewards Program rules for any changes.
3. If, in our sole discretion, we suspect you or any cardholder have engaged in fraud, misuse, abuse, or suspicious activity in using the Credit Card, the Program, or any other Truist rewards programs or products, we may suspend or terminate your participation in the Program, including your ability to redeem or access your earned Points. In such event, we may close your Credit Card account immediately and without notice; this may result in the forfeiture of all of your Points.
4. If, in our sole discretion, you or any cardholder violate these Program rules or violate the terms of any other Truist rewards program or products, we may suspend or terminate your participation in the Program, including your ability to redeem or access your earned Points.
5. All reward items are subject to availability. We may withdraw, change, or replace specific available reward items or modify the redemption value of rewards at any time.
6. The terms of this Program are void to the extent prohibited by law, but we may enforce all other terms.
7. Generally, Points cannot be used to make payments for obligations owed to us or our affiliates. You may not use Points to make the minimum payment or pay any fees stated on your monthly billing statement. However, we may allow you to apply Points as a statement credit on your Credit Card.
 - a. We typically apply redemption requests within 10 business days; however, processing time could take longer. To avoid paying interest charges on your purchases, you must

ensure that your entire outstanding balance is paid in full before your billing cycle's due date.

8. You may not apply Points as a statement credit to produce a credit balance on your Credit Card. If your combined payment(s) and scheduled Points redemptions would result in the creation of a credit balance, we will automatically refund you the balance.
9. Points balances cannot be combined with any other loyalty/frequency reward program.
10. Unredeemed Points balances have no monetary value.
11. If you believe there is an error on your Program account, you must report such error to us promptly but in no event more than 60 days after the date the eligible purchase (or any subsequent adjustment) posts to your Credit Card. After that time, Truist is not liable for any error and your Program balance will be deemed correct. Rewards Program errors are not billing errors under your Credit Card Agreement. Truist's decision regarding any error will be final.
12. Taxes: Earning and redemption of Points may be subject to income tax or other taxes. Any applicable federal, state, or local tax obligations related to the Program are your responsibility. Please consult your tax advisor concerning any such income or other tax consequences related to your participation in the Program.
13. Truist will not lose any rights under the Rewards Program Terms and Conditions or Agreement if we delay or choose not to take any action for any reason. Truist may waive any of its rights without notifying you.
14. If you cancel your participation in the Program, you must also close your Credit Card. You may call the Truist Contact Center at 844-4TRUIST (844-487-8478), 24 hours a day, 7 days a week, for assistance.
15. For Points balance inquiries and updates, you may view account information on the Program website accessible through Truist Online Banking at Truist.com or the Truist Mobile Banking App. You may also call the Truist Rewards Center at 855-522-8068, seven days a week from 8 a.m. - midnight ET, except major holidays.
16. You agree to notify us of any change in your name, address, email address, or telephone number by calling the Truist Contact Center at 844-4TRUIST (844-487-8478), 24 hours a day, 7 days a week, or through Truist Online Banking at Truist.com or the Truist Mobile Banking App.

Points Earning Program Rules:

17. You may earn Points on eligible purchases made with your Credit Card. Eligible purchases include any signature-based purchase, internet purchase, purchase made using a credit card terminal, phone or mail-order purchase, or automatic bill payment (each an "eligible purchase"). Points earned will be applied to your Points balance daily.

Merchant Category Code – how it impacts eligible purchases:

For purposes of these Rewards Program Terms and Conditions, "merchant" shall refer to a retailer, business or any other place where you make an eligible purchase. Each merchant is assigned a Merchant Category Code ("MCC") that indicates the merchant's area of business. For example, hotels are generally assigned a specific MCC. We use MCCs to determine whether eligible purchases qualify for 2 or 3 Points for each \$1.00 spent. We do not assign or have any control over what MCC is assigned to a given merchant; the MCCs are chosen and assigned by a third party and that third party may change the MCCs from time to time. When you make a purchase at a merchant, we are

provided the MCC for that merchant at the time of the transaction. If the MCC matches a category that gives you 2 or 3 Points for each \$1.00 spent - for example, if the MCC tells us that you made a purchase at a hotel - you will receive 3 Points for each \$1.00 spent for that purchase. You may believe that a purchase at a given merchant qualifies for 2 or 3 Points, but we rely on the MCC applied to the merchant to make that determination. For example, if you eat at a restaurant within a hotel it may be assigned a "restaurant" MCC, which will not earn 3 Points for each \$1.00 spent but may earn 2 Points for each \$1.00 spent. For more information about MCCs you may call the Truist Rewards Center at 855-522-8068.

18. Points you will earn:

1 Point for each \$1.00 spent on all eligible purchases

You will earn one (1) Point for each \$1.00 in eligible purchases. There is no limit to the amount of Points you can earn.

2 Points for each \$1.00 spent on eligible restaurant purchases

You will earn two (2) Points for each \$1.00 in eligible purchases at restaurants. Purchases at certain merchants, such as bakeries, convenience stores, specialty markets, and merchants whose primary business is the sale of alcoholic beverages, will not earn 2 Points for each \$1.00 in eligible purchases, but are eligible to earn 1 Point for each \$1.00 in eligible purchases. There is no limit to the amount of Points you can earn.

3 Points for each \$1.00 spent on eligible airline ticket, car rental or hotel lodging purchases

You will earn three (3) Points for each \$1.00 in eligible purchases on airline tickets, car rentals or hotel lodging. Non-airline ticket purchases, such as seat upgrades, baggage fees, and onboard amenities, as well as non-lodging purchases made at a hotel such as dining and activities, will not earn 3 Points for each \$1.00 in eligible purchases, but are eligible to earn 1 Point for each \$1.00 in eligible purchases. There is no limit to the amount of Points you can earn.

Note: We may feature special Points promotional offers from time to time. The terms of those offers will be disclosed to you when they are available.

19. The following transactions are excluded from earning rewards: cash disbursements, cash advances, peer-to-peer payment platform transfers, balance transfers, cash equivalents, fees of any kind, interest charges, ATM transactions, credit insurance, fraudulent or unauthorized transactions, credits, returns, and quasi-cash transactions including the purchase of traveler's checks, access checks, or foreign currency, or money orders.
20. Points are considered earned when posted to your Program account.
21. Any credits, except payments to the account, will reduce the Points available. If your returns or credits exceed your eligible purchases, you will see a negative Points balance posted on the Program account.
22. Points are tracked and redeemable on a first-to-expire basis. This means that the Points that have been on your account the longest will be spent first upon redemption.
23. Points earned will expire at the end of the month that is five (5) years from the date of issuance. For example, Points earned on July 15, 2020 are eligible for redemption until July 31, 2025.
24. If your Credit Card account is closed, you will no longer earn Points and any accrued Points you have outstanding at that time will be forfeited and cannot be redeemed.

Points Redemption Program Rules:

25. You must call the Truist Rewards Center at 855-522-8068 from 8 a.m. - midnight ET, seven days a week, or visit the Program's website through Truist Online Banking at Truist.com or the Truist Mobile Banking App to redeem your accrued Points.
26. Points may be redeemed for statement credit, electronic deposit to an eligible account, check, gift cards, merchandise, travel, and occasionally other experiences. Redemption rates may vary and are subject to change without notice. For the most current program rules, refer to the Rewards Program Terms and Conditions posted on the Program website accessible through Truist Online Banking at Truist.com or the Truist Mobile Banking App. You may also call the Truist Rewards Center at 855-522-8068.
27. Redemptions are subject to availability and other requirements of these Rewards Program Terms and Conditions. Reward items may only be redeemed using Points. With the exception of travel rewards, no funds may be added to the Points to facilitate the redemption of reward items.
28. At the time of redemption, the Truist Rewards Center will reduce your Points balance by the amount of Points redeemed.
29. Physical Gift Cards and checks can only be mailed within the fifty (50) United States and the District of Columbia.
30. Truist may, without notification: (i) change or terminate participating merchants, (ii) withdraw, limit, modify, or cancel any reward, (iii) add an unlimited number of restrictions (e.g., blackout dates), or (iv) increase the amount of Points required for any reward.

Cash Rules:

31. Points may be redeemed and applied as a statement credit to your Credit Card account, mailed to you in the form of a check, or deposited electronically into an eligible Truist personal checking account, personal savings account, or personal money market account. We do not allow Points to be deposited electronically into a non-Truist account.
32. You must have a Points balance of 2,500 or more to redeem for a statement credit, electronic deposit, or check.
33. For statement credit redemptions, please allow up to ten (10) business days from the redemption date for the statement credit to be applied to your Credit Card. Statement credits will reduce your Credit Card balance, but cannot be used to make payments for obligations owed to us or our affiliates and will not reduce the minimum payment or pay any fees stated on your monthly billing statement. You are still responsible for paying any minimum payment amounts due by the payment due date.
34. For electronic deposit redemptions, please allow up to ten (10) business days from the redemption date for the electronic deposit to be applied to your eligible Truist personal checking, personal savings or personal money market account.
35. You will receive a 10% Loyalty Cash Bonus added to your cash redemption amount when you electronically deposit your Points redemption into your eligible Truist personal checking, personal savings, or personal money market account.

If you have a Truist Dimension Checking account or Signature Advantage Checking account and also electronically deposit your Points redemption into your eligible Truist personal checking, personal savings, or personal money market account, you may receive either a 25% or 50%

Loyalty Cash Bonus added to your cash redemption amount; if applicable, this 25% or 50% Loyalty Cash Bonus would replace the 10% Loyalty Cash Bonus described above.

We determine and award your Loyalty Cash Bonus at the same time as your cash rewards redemption. For Truist Dimension Checking account or Signature Advantage Checking account clients, we perform a calculation for each of the prior three (3) calendar months (“monthly review”); for each monthly review, this calculation determines the highest average monthly balance of your combined eligible consumer deposit and investment balances. We will use the highest average monthly balance amongst those 3 monthly reviews to assign your Loyalty Cash Bonus percentage as follows:

- 50% Loyalty Cash Bonus if combined eligible consumer balances are \$100,000 or greater
- 25% Loyalty Cash Bonus if combined eligible consumer balances are between \$25,000 and \$99,999.99
- 10% Loyalty Cash Bonus if combined eligible consumer balances are less than \$25,000

For the purposes of this Loyalty Cash Bonus, your deposit relationship will be determined as of the last day of the month preceding redemption. However, we reserve the right to take up to five (5) business days to determine or update your deposit relationship for each monthly review. The eligible Loyalty Cash Bonus percentage will be adjusted accordingly and will persist until we have completed the next monthly review. If you completed a cash redemption prior to the next monthly review date, we will not retroactively review your Loyalty Cash Bonus percentage. Your eligible Loyalty Cash Bonus percentage may increase monthly but decrease only once every three (3) calendar months.

For example, let’s say your monthly review for May shows that your highest average monthly balance across your combined eligible accounts is \$10,000. For June it is \$25,000, for July it is \$110,000, for August it is \$30,000, for September it is \$10,000, and for October it is \$10,000.

If you have either a Truist Dimension Checking account or Signature Advantage Checking account, and redeem your Points into an eligible Truist deposit account in August, September, or October, you will receive a 50% bonus (because we will look to your July monthly review calculation). If you redeemed to an eligible Truist deposit account in November, you would receive a 25% bonus because your highest average monthly balance for the preceding 3 calendar months was decreased to \$30,000.

36. If your electronic deposit is rejected for any reason, we will refund the Points amount redeemed back to your Program account. You will not earn any Loyalty Cash Bonus on an attempted electronic deposit redemption that has been rejected.
37. If you select a check, the Truist Rewards Center will issue a check within ten (10) business days of your redemption request, but you should allow up to three (3) additional weeks for delivery. We are not responsible for checks lost or delayed due to mail delivery or checks returned to sender. Checks returned to sender or checks not cashed within one hundred and eighty (180) days from the issuance date will be applied as a statement credit to your Credit Card. You are still responsible for paying any minimum payment amounts due by the payment due date. Checks not cashed within one hundred and eighty (180) days will be issued for stop payment prior to Truist issuing a statement credit to your Credit Card. Mechanical reproductions, copies or facsimiles of checks will not be accepted for deposit. Lost, stolen, destroyed, or expired checks may not be reissued or replaced.
38. All redemptions are final.

**Physical Retail Gift Cards and Electronic Retail Gift Cards (collectively referred to as “Gift Cards”)
Rules:**

39. Gift Cards must be presented to the participating merchant for use and may be used only once in accordance with the participating merchant's rules. This may require the entire Gift Card balance to be used at once.
40. Mechanical reproductions, copies or facsimiles of Gift Cards will not be accepted. Additional terms and conditions appearing on the Gift Cards are to be interpreted in accordance with these Rewards Program Terms and Conditions.
41. Gift Cards will not be extended beyond the specified expiration date, if applicable.
42. Blackout dates may apply to the use of some Gift Cards.
43. Terms and conditions may vary according to the specific Gift Card issued.
44. In-stock electronic gift cards (may be referred to as "eGifts" elsewhere (e.g., on the Program website)) will be sent within two (2) business days to the email address (and/or mobile phone) that you specified when the redemption request was placed.
45. In-stock physical gift cards will be mailed within ten (10) business days to the address that you specified when the redemption request was placed.
46. Gift Cards will not be personalized.
47. Gift Cards are transferable and may be used by any person (i.e., not just redeemable by the person who redeemed the rewards to procure the Gift Card).
48. Truist will not replace a Gift Card, even if it is lost, stolen, destroyed, or expired.
49. Gift cards are not exchangeable or refundable.
50. Gift Cards are not redeemable for cash, except to the extent required by law.
51. Truist will not provide a refund of any kind or in any amount for unused portions of Gift Cards or if the participating merchant fails to perform/honor the Gift Card.

53. Standard mail is available for all Gift Cards. Rush shipping is available for select Gift Cards. Gift Card orders that meet or exceed \$250 in value will be shipped by mail.

67. Check with each airline regarding its specific boarding and check-in requirements; it is always best to check-in within 24 hours of the flight. Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which you have a confirmed reservation. If this occurs, the airline will make alternative arrangements for you.
68. Photo ID is required at check-in for all flights. Passport is required for all international travel, including layover and stopover destinations (other documentation may be applicable). Most countries require a minimum of six-month validity on your passport to travel. You should contact the airline carrier for the most current travel guidelines and procedures prior to flight.
69. Baggage policies and fees vary by airline carrier. Please check with the airline carrier for baggage charges, size limitations, weight and other restrictions.

Travel Experience Statement Credit(s)

- You must be an eligible U.S. Visa cardholder to participate in this offer.
- You can earn a maximum total (in aggregate) of \$100 in statement credit(s) per calendar year on your eligible Truist Enjoy Beyond Visa Credit Card account when you use your Truist Enjoy Beyond Visa Credit Card to make eligible purchases at merchants providing the following services:
 - Taxicabs, Limousines and Rideshare Services
 - Cable, Satellite and Other Pay Television/Radio/Streaming Services
 - Ticket Agencies and Theatrical Producers (Except Motion Pictures).
- For purposes of these Travel Experience Statement Credit(s), “merchant” shall refer to a retailer, business or any other place where you make an eligible purchase. Each merchant is assigned a Merchant Category Code (“MCC”) that indicates the merchant’s area of business. We use MCCs to determine whether eligible purchases qualify for a travel experience statement credit. We do not assign or have any control over what MCC is assigned to a given merchant; the MCCs are chosen and assigned by a third party and that third party may change the MCCs from time to time. When you make a purchase at a merchant, we are provided the MCC for that merchant at the time of the transaction. If the MCC matches a category that qualifies for a travel experience statement credit, you will receive a statement credit for that purchase as long as the total (in aggregate) of statement credit(s) does not exceed \$100 per calendar year. You may believe that a purchase at a given merchant qualifies for a travel experience statement credit, but we rely on the MCC applied to the merchant to make that determination.

- Please allow 6-8 weeks after an eligible purchase is made for the statement credit to be posted to your account. You may not earn more than \$100 total across all of your cardholder accounts within the annual period.
- You are responsible for payment of all charges until the statement credit posts to the account.
- Your account must be open and not in default at the time of statement credit fulfillment.
- Visa and Truist reserve the right to modify or cancel this offer at any time and without notice.
