CARD PERSONALIZATION DISCLOSURES

Personalizing a debit card is free to new and existing Truist debit cardholders. Once a Truist debit cardholder initiates card personalization, the cardholder has 10 days to complete the personalization process. If an image is not uploaded within 10 days of initiation, a standard debit card will be issued. For existing debit cardholders, personalizing a card may generate a new debit card number. The personalized card will replace the cardholder’s existing standard debit card.
