Text Banking

Text Banking lets you manage your eligible online banking accounts from any mobile device with text messaging capabilities. It's secure, easy and free.¹

Text Banking quick codes

To get information on specific accounts, text the quick code and account nickname to 878478 (TRUIST). Please become familiar with your account nicknames. Nicknames used in the examples below are "chk1" (checking) and "sav1" (savings). Quick codes are not case sensitive.

BAL: Default account balance

BAL ALL: All account balances

TRA: Transfer money between accounts

LAST: Recent transactions

MORE: Next set of balances or transactions

INFO: List of quick codes

HELP: Additional support information

STOP: Stop receiving alerts on mobile device

START: Resume receiving alerts on mobile device

For Example:

BAL = Balance for default account

BAL CHK1 = Balance of specific account CHK1

BAL ALL = Balance of all accounts

LAST CHK1 = Last 10 transactions of specific account CHK1

TRA CHK1 SAV1 100 = Transfer \$100 from CHK1 to SAV1

¹ Fees from your mobile or data carrier may apply.
